PLAN FOR SUPERVISED PROFESSIONAL EXPERIENCE PURSUANT TO SECTION 1387.3(a) OF THE CALIFORNIA CODE OF REGULATIONS

Section 1387.3. Supervised Professional Experience for Trainees Preparing for Practice in Non-Mental Health Delivery Services.

Section 1387.3(a) of the California Code of Regulations (CCR) allows supervisees who wish to accrue hours of supervised professional experience (SPE), typically in the areas of applied psychological research, industrial-organizational psychology, and social-experimental psychology, to submit a plan to accrue such experience to the Board of Psychology. The Board will review these plans on a case-by-case basis. It is not required that the plan be pre-approved, however, the board strongly recommends that the plan be approved prior to the accrual of hours.
